

COUNCELING FEE POLICY

Welcome to Pittsford Youth Services

As a nonprofit agency, PYS prides itself on consistently keeping its individual and family counseling rates reasonable in order to make those services affordable for all members of the community.

Our fee schedule is as follows*

Office visits are \$60 per session

If you are unable to pay the requested amount as listed above, kindly provide PYS with a copy of your most recent proof of income so that we can develop a payment plan that meets your financial needs. We are willing to work with families to develop a mutually satisfactory payment arrangement.

Please contact Loraine Young, Executive Clinical Director, at 280-6610 if you have any questions or would like further information.

**Fees are expected to be paid at the time services are rendered.*
