

Sibling Support Group

Date: Saturdays, August 19 and 26

*Place: Mile Post School
210 Mendon Road*

Time: 10:30am-12:00pm

No Fee to Attend

This group is a safe place for children in grades 1-8 to talk freely with others who also have a sibling with special needs including, but not limited to, issues with medical disabilities and/or mental health.

It is about the positive and negative parts of having a sibling with special needs.

Good sibling ties can reduce conflict and foster sibling relationships. Spend time with other students who share similar feelings.

Led by licensed social workers, you will play games, get creative and have some fun!

Please RSVP to Loraine Young, LCSW-R at:

lyoung@pittsfordyouthservices.org

*In your RSVP please provide the following:
Program title, parent's name, child's name, age and school
Please also include contact email and phone number*
